

U.S. Retailers d/b/a Cirro Energy Privacy Policy

Cirro Energy wants to ensure you that we are concerned about your privacy. During your visit to our website, any information you may provide to us will be handled with the utmost care and confidentiality.

Personal Information

Cirro Energy does not collect personally identifiable information from you unless you provide it to us knowingly and voluntarily when visiting our website. With the exceptions noted in this Policy, any information we collect from you will be used for the sole purpose of internal marketing and customer service, and will not be shared with any third party, unless:

- Legally subpoenaed
- Required by law
- Needed for fraud detection
- Required to complete a transaction initiated by you
- Required to implement our Terms of Service Agreement
- Required to verify billing, payment or electric service information

We will not sell or rent your information to a third party. Cirro Energy does not intend for this website to be used by minors and will never seek to collect personal information from any minor.

Non-Personal Information

Cirro Energy may collect non-personal and aggregate data to be used for website improvements such as content updates or usability studies. We reserve the right to transfer non-personal and aggregate data to a third party for this purpose.

We may use cookies to store such information as page visits, visitor preferences or data to facilitate the account login process. However, no individually identifiable data is gathered via cookies on the Cirro Energy website.

Email Addresses

If you supply us with your email address during your visit to our website, we will provide you with an opportunity to “opt in” to communications from partner or affiliate organizations outside of correspondence directly related to your account. Should you change your email preferences during the course of your relationship with us, please email your new preferences to us at

webissues@cirroenergy.com.

Security

The security of your data is of paramount importance to Cirro Energy, and we utilize a 2,048 bit SSL certificate on our website to encrypt and protect any data entered by you or transmitted while serving you.

Links to Other Sites

The Cirro Energy website may contain links to other websites that are neither owned nor operated by Cirro Energy. We are not responsible for the privacy policies of these websites.

Policy Changes

By using our website, you agree to the terms of this Policy. Should you have any questions regarding this information, please email us at webissues@cirroenergy.com. Cirro Energy reserves the right to modify this Policy at any time and will post any changes with urgency.
